REMINDER

Chapter 120 of the Village of Carthage Code, "Streets and Sidewalks Article II Snow and Ice Removal,

"all residents in the Village of Carthage are required to remove snow and ice from the sidewalks on their property".

The snow must be removed to a width of 4 feet or the width of the sidewalk, whichever is less. The snow and/or ice must be removed by 10:00 a.m. the day after the snow falls or ice builds up. If the snow is not removed by such time a ticket will be issued by the Village of Carthage Police Department or the Department of Public Works.

Once a ticket is issued, the property owner/tenant will have 2 hours to remove the snow and/or ice. If the snow and/or ice is not removed the Village of Carthage will remove the snow at a substantial cost to the property owner/tenants. The cost is a minimum of \$100 for the removal of up to 50 feet of sidewalk. After 50 feet a fee of \$2 per foot is added to the cost. The Village of Carthage will also charge a substantial administrative fee for the snow and ice removal. On top of these cost the property owner/tenant is also subject to additional penalties set forth under Chapter 5 of the Village of Carthage Code which can be found on our website.
