## ZONING AND BUILDING PERMIT PROCESS

1. A Zoning Permit is required in the Village of Carthage for the addition, structural change or new use of a building and also for pools, decks, fences, walls, storage sheds, camps, garages, driveways, Mobile Homes, Modular Homes, and New Homes .
2. In addition to a Zoning Permit usually a Building Permit is required for most types of New Residential and Commercial Construction including additions, alterations, conversions and renovations, Electrical Work, Installation of Wood stoves, fireplace inserts, structural repairs, heating systems, all new septic systems and leech fields and replacements of same. There are new regulations regarding the placement of new roof and underlayment requirements. The New York State Energy Conservation Construction Code is mandatory along with some other changes which have come about with the new International Building Codes with New York State Supplements.
3. On the attached forms fill out all information required, submit plans and specifications, and return with required fee for the Zoning Application (non-refundable) and include additional Fees as required for the Building Permit.
4. All paperwork and applications must be returned to the Village of Carthage Department of Code Enforcement.
5. Once your permits have been issued and construction begun, required inspections will be done at your site to inspect work as it progresses. It is your responsibility to notify me at the numbers listed above when you are ready for an inspection at the required stages of construction.
6. *New York State requires that a Certificate of Attestation of Exemption (CE-200) completed by owner occupied 1, 2, 3, or 4 family residences. (Direction on how to obtain form is attached)*
7. All contractors who employ workers must supply proof of liability insurance and Worker's Compensation insurance prior to issuance of building permits.
8. New York State Department of Health requires Stamped plans for all new septic systems.
9. A Certificate of Occupancy will be granted upon completion of a final inspection.
- 10. CALL BEFORE YOU DIG!!! IT'S THE LAW 1-800-962-7962. Give at Least Two Full Working Days' Notice.**

## Zoning Permit Driveway Supplement

Section 146-9 E and L of the Village of Carthage Zoning Law requires that all driveways in the Village of Carthage comply with the driveway standards adopted by the Village Board. This is to ensure the construction of safe driveways on Village Streets. PRIOR to installing a driveway you are required to notify the Village Department of Public Works Superintendent of your plans. Once the driveway is installed you are required to contact the Superintendent to receive your final approval of the driveway.

A signed copy of the Driveway Supplement must be submitted to the Village Department of Code Enforcement before a Certificate of Compliance or a Certificate of Occupancy can be issued.

The Village Superintendent may be contacted at the Village Barn located at 1000 State Street in Carthage. DPW hours are 7:00-3:30 Monday through Friday or by calling 493-2210 during regular business hours.

If you have any questions please do not hesitate to call the Code Enforcement Officer at the numbers listed at the top of this page.
